

Great Science!

Wednesday, February 19

5:30 - 6:00 pm - check in & dinner

6:00 - 8:00 pm - workshop

975 Broadway, Jackson

Join us for a fun-filled evening of hands-on science experiments and more! Science is everywhere! This workshop is appropriate for providers and teachers of infants, all the way through kindergartners. Discover how easy it is to integrate science into curriculum and activities you are already doing!
