Hello Family Childcare Providers,

For those that do not know me, I am Shannon Puente. I have been in the Early Childhood field for over 14 years. I am a former licensed family childcare provider, so I understand the unique challenges you face every day.

As a **P.E.E.R.**, I can provide **“Amador Quality for Kids”** participants with the following resources:

- Support in setting up your childcare environment that reflects your vision, behavior management, parent communication, and support around any aspect of your Family Childcare Business.
- Reflect with the **“Coaching Companion,”** where family childcare providers and teachers come together with their P.E.E.R. (Shannon Puente) to reflect on provider/child interactions. We will collaborate using the Coaching Companion platform and many resources in a very positive atmosphere.
- Weekly Zoom networking meetings (during Covid-19)
- Facebook Group, where you can network with other providers - <https://www.facebook.com/groups/268410061203729/>

If you have any questions regarding any of the resources that I can support you with, or if you just need someone to talk to, please do not hesitate to reach out to me - or to First 5 Amador at 257-1092.
